## **97. W&NCO Proficiency Certificate**

Having successfully completed the three phases of the Proficiency Course, the following NCO is awarded a Warrant Officer Proficiency Certificate:

- Cpl. Ryan Dwyer                      Upper Gullies Company

Captain Rod Parsons, Director of Regimental Training, would like to congratulate Cpl. Dwyer on this achievement and remind him to put his proficiency to work in his company.

## **98. Training Department Notices**

Captain Rod Parsons, Director of Regimental Training, would like to thank once again all NCOs who participated in the proficiency courses this year. All NCOs are reminded that the WO and NCO Proficiency Courses will be offered in Summer Camp again this year. Each interested NCO should ensure that he or she checks the appropriate box on the camp application form.

Regimental Training Staff are prepared to put off a spring session of the Officers Proficiency for those who may have missed the fall session. Time and place will be determined based upon the level of interest.

Captain Parsons would like to thank all Companies who participated in this training year's T&E examinations. This year was the first time we changed the options portion of the T&E's to be held on one Saturday in each Battalion. This brought all Companies out to perform their option to a training panel at a central location. Captain Parsons is pleased to report that this format was a huge success with great results and will be the format going forward in the next training year. This format also allowed Companies to free up valuable time on weekly parade nights to plan and focus on inspections and banquets.

Captain Parsons would like to point out the importance of the T&E's to all companies. It is the only level of evaluation we have in the Brigade and no company should be left out due to low numbers. If any company finds itself unable to meet the minimum requirements for T&E's, please contact other companies to join sections. Regimental Staff has reported that some Companies have been doing so, but others are not. Combining resources allows all youth to participate and be involved in all aspects of the programs.

## **99. Summer Camp Planning Meeting**

There will be a meeting on Sunday, May 30, 2010, to be held at All Saints Parish Hall, Foxtrap at 3:00 p.m for all Officers planning to attend Summer Camp. It is a necessity that all Officers attend as plans will be put in place for all three CLB Summer Camps at Mint Brook.

**100. Old Comrades Scholarship**

Company Commanders are reminded that the CLB Old Comrades Association - Lodge 1 awards an annual scholarship valued at \$1000. This scholarship is available to the successful Senior Corps member and Grade Twelve (Level 3) student entering a post-secondary educational institution. A copy of the revised application form is attached to these Orders. (The deadline was changed to August 31 and the name and address of Old Comrades Lodge 1 Chaplain was changed to the Rev. Sam Rose.)

**101. Quartermaster Stores**

Due to the success of recent CLB Financial Campaign initiatives, at the Special Brigade Conference held on March 28, 2010, Brigade Council was pleased to announce a \$500 rebate for all CLB companies. This rebate has been applied to QM accounts in the month of April.
