89. Volunteer Appreciation Week

All Brigade Units are requested to read the following statement at a weekly Parade Night in April, ideally during Volunteer Appreciation Week.

During the week of April 19-26, 2009, we celebrate "Volunteer Appreciation Week" in Newfoundland and Labrador. Community organizations such as the CLB depend on volunteers to run their various programs and activities. Volunteers make it happen and it is because of their commitment and unselfish concern for others that our community is a much better place to live, work and play.

Colonel Albert Pelley, Regimental Commander would like to take this opportunity to thank all CLB volunteers for the outstanding work that you do with the youth of the Brigade. Colonel Pelley would also like to thank the Regimental Band, Old Comrades Associations, Auxiliaries and any others for the ongoing support that is continuously provided to Brigade activities.

Your contributions are making a positive difference in the lives of the young people that we serve!
